☑ Responsible Social Media Use Checklist (For College Students)

✔ Do's

- **Think before you post** – Ensure your content is appropriate and won't harm your reputation.
- **Protect your privacy** – Use strong passwords and enable two-factor authentication.
- **Verify information before sharing** – Cross-check facts to avoid spreading misinformation.
- **Be respectful and kind** – Maintain a positive tone in comments and messages.
- **Use social media for learning** – Follow educational pages, internships, and career content.
- **Manage your time wisely** – Set limits to avoid excessive usage.
- **Build a positive digital footprint** – Share achievements, projects, and skills.
- **Give proper credit** – Acknowledge original creators when reposting content.
- **Customize privacy settings regularly** – Keep track of who can see your posts.
- **Report inappropriate content** – Help keep platforms safe by reporting abuse or scams.

❌ Don'ts

- **Don't share sensitive personal information** – Avoid posting phone numbers, addresses, or passwords.
- **Don't engage in cyberbullying or trolling** – Respect others' opinions and boundaries.
- **Don't overshare personal life details** – It can affect safety and future opportunities.
- **Don't post offensive or illegal content** – This can lead to serious consequences.
- **Don't believe or spread fake news** – Always verify before forwarding.
- **Don't use weak or repeated passwords** – This increases the risk of hacking.
- **Don't accept requests from strangers blindly** – Be cautious of fake profiles.
- **Don't argue aggressively online** – Avoid unnecessary conflicts or heated debates.

- **Don’t neglect real-life responsibilities** – Balance studies and social media use.
- **Don’t click on suspicious links** – They may lead to phishing or malware attacks.
